

# Etac Swift freestanding toilet seat raiser

Lightweight and easy to handle.

## High stability

Swift free standing toilet seat raiser provides a stable support. This is ensured by the large footprint and the soft, special designed ferrules which have an excellent floor grip.

## Flexibility

The seat is height adjustable and can be set with a slight forward tilt. This facilitates standing up and relieves the hip joints. The legs can easily be taken off for car transportation.

## 3 in 1 product

Besides using the Swift freestanding over the toilet, it can be used as a shower stool and with complementing accessories it may also be used as a commode. The lightweight makes Swift free standing toilet seat raiser easy to move.

*Swift free standing has an integrated splash guard and smooth surfaces which enables easy cleaning.*
