products.

## Main features

### Design

We are convinced that aesthetics and technical characteristics are equally important. The "Tarta Kid" design has been meticulously studied to be essential and at the same time lively.

### Multipurpose

Tarta Kid has been designed to be used in different situations during the day. From chair to stroller, from home couch to restaurant table.

### Recommended age

This product is suitable for 8 month-old to 3-4 year-old children.

Washable at 40°

### Adjustable

Tarta kid has been thought to be regulated by parents.

Very easy adjustments allow the immediate product management for everyone.

### Comfort

The foam and the microfiber fabric give the pads a unique feeling of pleasantness and softness.

## Height and depth

| "Closed" cm 19

| "Open" cm 26

「 Height: the values are measured by the level of the seat to the underarm measurement. 」

## Inclination

**Inclination degrees:**  $-5^{\circ} + 30^{\circ}$

「 The backrest can be tilted by tightening or loosening the screw between the seat and the backrest. 」

## Width

「 The width of the Kid can be easily changed without the use of any tools.. Thanks to the use of a special aluminum, the width can be changed with a simple manually-exerted pressure. 」

Approximate values:

**chest:** 13 to 23 cm

**pelvis:** 17 to 25 cm
